2. (FOUO) [redacted] explained that LTG Faurer, Director NSA had been exposed to GRILL FLAME some time ago by Dr. Jack Vorona, DIA, who knew LTG Faurer when he was assigned at DIA. At a recent meeting Dr. Vorona suggested LTG Faurer receive a briefing on what Army (INSCOM) was doing in the GRILL FLAME area. [redacted] was asked by LTG Faurer to arrange the briefing.

SG1I

3. (FOUO) I told [redacted] that I had no objections to briefing LTG Faurer but would have to request approval from my superiors and inform DIA, (Dr. Vorona) since they were the DOD project Director. I further stated the briefing would be a 30-45 minute presentation with class B viewgraphs and a project book; and it was not a fancy "dog and pony show". [redacted] requested I notify him when approval was received and then we could then arrange to get on LTG Faurer's calendar.

4. (FOUO) I also gave [redacted] a brief overview of our activities and a short summary of selected projects.
